As the dealings of the orders placed with M/s Jessop & Co. Ltd Calcutta were F.O.R. Calcutta the responsibility of this firm ceased when a clean R/R was handed over to the D.T.L. Bahrein & the title of the said Firm before Rs 75/- has perhaps to the hand when delivery. the goods have not been received & stock certificate cannot be recorded on the ledger.

Sir,

Re: Bill for Rs.75/- of Messrs.Jessop & Co. Ltd., for Copper and Brass Wire Gauze required at Industrial & Testing Laboratory.

I have the honour to enclose herewith for the information of Government a copy of note No.1456 dated 30th June 1943 on the above subject, received from the General Manager, Government Industrial and Testing Laboratory. The General Manager has intimated that Messrs.Jessop & Co. Ltd., Calcutta sent the material by train on 7th January 1943 and that the materials have not been received to-date. The question has been taken up by the General Manager with the Superintendent General, B.N.Railway and his reply is awaited.

The terms of the Orders were F.O.R.Calcutta and the firm is pressing for the immediate settlement of their bill. The General Manager has solicited instructions to pay the amount of the bill to the firm now even though the goods have not been received and the stock certificate cannot be recorded on the bills. I agree with his proposal and have instructed him to pursue the matter with the Railway authorities and recover either the materials or the value paid as well as request to Messrs.Jessop & Co. Ltd., to take up the matter with the Railway Authorities at their end.

In the circumstances, I request you kindly to obtain and communicate early sanction of Government

Re:- The bill of Messrs.Jessop & Co. Ltd., for Rs.75/- copper & Brass Wire Gauze.

======

An order was placed with Messrs.Jessop & Co., Ltd., Calcutta for copper and brass wire gauze required for our centrifuges. The firm's quotation was Rs.75/- f.o.r. Calcutta. The material was booked by Messrs.Jessop & Co. on 7th January 1943 under R/R No.91188 but has not yet been received here. We sent reminders to the firm as well as to the railway authorities. The B.N.Railway authorities say that the consignment was loaded on 7th January 1943 via Waltair in Van No.E.I.R.53247 which was despatched to Santragachi by special pilot on 8th January 1943 and suggested our referring to the Superintendent General, B.N.Railway, Kiddapore, for further information. We have not received a reply yet to the letter we wrote to this Officer. Meanwhile Messrs.Jessop and Co. have been sending us a number of reminders for payment of their bill. As the terms of the order were f.o.r. Calcutta, they plead that their responsibility ceased when a clear R/R was handed over to us and insist that their bill should be settled immediately. In the normal course the bill cannot be passed without a stock certificate, but as the firm is legally correct in asking for payment, I request your instructions to settle the bill immediately.
